Dear Brothers and Sisters in Christ,

We, the Catholic bishops of Illinois, write with a sense of urgency. Unless the General Assembly acts to renew the Invest in Kids scholarship program, more than 9,000 children currently relying on this program to attend a non-public school may have their educational path disrupted. Without an extension of the program in Illinois law now, no scholarships will be awarded for the school year that will begin in September 2024. Most of these children will have to leave the school their families determined was their best chance to receive a high-quality education in a safe and wholesome learning environment. This is an injustice that should and can be avoided, but only if the General Assembly acts when it reconvenes on October 24, 2023.

Invest in Kids has proven to be a beacon of hope for thousands of Illinois students and their families. Children receiving Invest in Kids scholarships come from lower-income families who could not otherwise afford tuition at the Catholic or another non-public school that is the best fit for their child. Childhood is a limited time in the life of a human being and primary and secondary education is not something that can be put off to some future date when it is convenient for adults. This is our one chance to offer these Illinois children a good start. Please help keep education options available and a brighter future possible by contacting your state senator and state representative and telling them to continue the Invest in Kids Program.

Since its inception six years ago, Invest in Kids has generated overwhelmingly positive results. Nearly 40,000 scholarships have been awarded to students attending non-public schools across Illinois. Demand for scholarships is very high - for every scholarship granted, three students are turned down due to lack of funds. Contrary to what you may have heard, this is not a voucher program, nor does it take state funds away from the public schools. These scholarships are funded through contributions from donors who receive a tax credit for their donation on their Illinois state income tax.

What can you do to help? Please contact your state senator and state representative to let them know of your support for extending the Invest in Kids tax credit scholarship program in Illinois. We also encourage you to urge your fellow parishioners to do the same. Our collective voice is vital to the continued help for Illinois families. Please visit the Catholic Conference of Illinois website at www.ilcatholic.org or call the Springfield office at (217) 528-9200 for further information on how to locate your elected officials, request sample wording for a message to your legislator, or for information about how to donate to this program.

Save My Scholarship

State lawmakers are considering ending the tax credit scholarship program referred to as “Invest in Kids.” This program has provided nearly 40,000 scholarships to help families send their children to a school of their choice.

DO NOT LET THIS PROGRAM END!

Please act now and contact your state senator and state representative. Send them a strong message respectfully asking them to continue this valuable program.

You can do so by using the QR code below, by calling us at the Catholic Conference of Illinois at 217.528.9200, or visit our website at www.ilcatholic.org

HISTORY OF THE ROSARY

Although a longstanding tradition attributed the rosary to Saint Dominic and the Dominican Order, the practice of using beads to count prayers predates the Dominicans by a few hundred years. In fact, it seems that what we now think of as the rosary (which means “garland of roses”) was first developed by illiterate peasants and religious brothers and sisters as a way of offering 150 “Our Fathers” to replace the praying of the 150 psalms in the Divine Office.

The practice of reciting 150 Hail Marys arose during the late Middle Ages. Devotion to the rosary began to flourish in the nineteenth century, especially as new devotions to Mary began to spread throughout Europe and the New World. An annual liturgical celebration of Our Lady of the Rosary was introduced into the Church calendar in 1573 and it has been observed on the date of October 7 since 1913.

In the apostolic letter *On the Most Holy Rosary*, Pope Saint John Paul II not only added five new mysteries to the traditional fifteen, but he also reminded Catholics that the rosary is, at its core, an opportunity to go deeper into the life of Jesus: “The rosary, though clearly Marian in character, is at heart a Christocentric prayer ... It has all the depth of the Gospel message in its entirety, of which it can be said to be a compendium. It is an echo of Mary’s prayer, her perennial Magnificat ... With the rosary, the Christian people sit at the school of Mary and are led to contemplate the beauty of the face of Christ and to experience the depths of his love”

Take time this month to pray the rosary and build a new prayer habit!
